

TOBACCO-FREE ENVIRONMENT

Regional West Medical Center School of Radiologic Technology does not permit smoking, the use of tobacco products or vaping anywhere on campus by any individual.

Responsibility: Students, Program Officials
Standard: Environment

Smoking is defined as carrying or using of any lighted cigarette, cigar, pipe, other type of tobacco product or any type of electronic cigarette or vaping device. The sale of tobacco and related materials on hospital premises is prohibited. Violations will be handled in accordance with Corrective Action Policy.

Smoking, vaping, or the use of any tobacco products are not allowed anywhere on the Regional West Medical Center campuses. This includes all hospital property, hospital vehicles, grounds, buildings, parking lots and roadways. This policy includes all students anywhere within Regional West Health Services owned or leased property.

Smoking, vaping, or tobacco products are not allowed anywhere at any off-campus clinical education facility. This includes all clinical education facility property, grounds, buildings, parking lots and roadways.
